

AGING PARENT FAIR SCHEDULE 2018

How will YOU care for your aging parent?

How do YOU know when they need more help?

Who do YOU call?

What resources are available?

Come to an AGING PARENT FAIR, a health-fair styled event intended specifically for adult children seeking help, support and resources for their aging loved ones.

The "Aging Parent Fair" will provide attendees with financial resources, care alternatives, assistive services and connections to the people and programs who can serve them and their loved ones. The event is "drop in" style, so families can come and go as they please.
