**Welcome to berks.alertpa.org**

The Berks County Department of Emergency Services uses the Roam Secure Alert Network to immediately contact you during a major crisis or emergency. The Roam Secure Alert Network delivers important emergency alerts, notifications and updates to you on all your devices:

- email account (work, home, other)
- cell phone (via SMS)
- pager
- smartphone/PDA (BlackBerry, Treo & other handhelds)

When an incident or emergency occurs, authorized senders will instantly notify you using the Roam Secure Alert Network. The Roam Secure Alert Network is your personal connection to real-time updates, instructions on where to go, what to do, or what not to do, who to contact and other important information.

Please click below to log in to manage your existing account, or to register a new account.
