COUNTY OF BERKS PENNSYLVANIA

EXPLANATION OF THE STUDENT POLL WORKER PROGRAM

The Berks County Election Board is preparing for the next election and is accepting applications for the Student Poll Worker Program. This program promotes civic awareness and educates high school students about the election process by allowing students to serve as Poll Workers on Election Day. Students will learn responsibility, teamwork, and leadership. They also have the opportunity to serve the community.

❖ **WHO CAN PARTICIPATE?**

- Each participating school must have a teacher play the role as coordinator
- Any High School student that meets the following requirements:
 - 17 years or older
 - A resident of Berks County
 - U.S. Citizen
 - Must be in good academic standing
 - Have teacher recommendation, Principal approval and parental consent

❖ **REQUIREMENTS TO PARTICIPATE?**

- Students must obtain a signed recommendation from a teacher
- Students must get the approval form signed by the school's Principal
- Students must get the parental/guardian consent form signed
- Students must submit the completed forms to the School Coordinator before the deadline
- Students must attend a Poll Worker Training class
- Students must arrive at their assigned Polling Place on time and work with the Judge of Election as directed
- Students must act in a professional manner and assist voters in the Election Process

❖ **WHAT DO STUDENTS DO ON ELECTION DAY?**

- Students are assigned to serve as Machine Inspectors and Clerks in the polling place on Election Day and are obligated to serve from 6:30am – 9:30pm. Students have the same responsibilities as regular poll workers, they are expected to:
 - Attend a two hour training session prior to the Election
 - Provide their own transportation to and from the polling place
 - Assist in opening and closing the polling place
 - Process voters
- It is our desire to have students assist during the entire day. As you know, Pennsylvania Law limits the number of hours minors under the age of eighteen may work in any one day to eight hours. It is our suggestion that students be present to perform services at the poll the entire day – initially as credit for school day attendance and thereafter as a worker.

❖ **PLACEMENT LIMITATIONS**

- There are some areas that have a greater need for poll workers than other. As a result, the number of students placed is dependent on the needs of the surrounding community. We will do our best to keep the students within their respective school districts. We might not be able to place every student; it is our guarantee that we will do our best to place as many as possible.

❖ **HOW DO I APPLY TO BE A STUDENT POLL WORKER?**

- All students poll workers must submit an application to the school coordinator with the teacher recommendation, principal approval and parental/guardian consent. The application can be obtained from the Berks County Election Services website or from the school coordinator at your high school.

❖ **WHERE WILL I BE PLACED TO SERVE ON ELECTION DAY?**

- Student poll workers will be placed at a location as near to their home address as possible. Due to the strict guidelines and strategic planning that goes into poll worker placement, students must show up to their assigned location; they may not show up to a different precinct without the approval of the Elections Director.

❖ **HOW WILL I FIND OUT IF I HAVE BEEN ACCEPTED?**

- Students who are accepted will receive a poll worker packet. The poll worker packets will be mailed directly to the school coordinator to distribute to students. The packet will include your assigned location, and the contact information of the Judge of Elections at your assigned polling place.

❖ **WHEN DO I RECEIVE MY STIPEND FOR SERVING ON ELECTION DAY?**

- The Judge of Election will receive pay checks from the Rovers on the day of the Election, as long as you were placed in your polling place two weeks prior to Election Day. If you are placed after this deadline your check will be mailed out 2 weeks following Election Day.
- Students who serve the entire day will be compensated at the rate of \$110. Compensation for students who serve only half the day will be \$55. Half-day sessions are scheduled from 6:30 AM to 2:00 PM for the morning session and from 2:00 PM to close for the afternoon session.
- The stipend for training is \$10 and will be included in your pay check; students will not receive the stipend for training if they do not work on Election Day. Classes are scheduled at the Agricultural Center Auditorium, 1238 County Welfare Road, Leesport (Bern Township).
