

# Birding with Bagels

April 13, 2019

9:00 am • Bingaman Nature Center  
2843 Hill Road, Reading

Join Baird Ornithological's local chapter and Parks' staff as we foray into the forests in search of birds! This mid-morning hike with birdwatching pros will give beginners a great start on identification of the birds found in Berks. Use binoculars to view and identify common species found at Antietam Lake Park while learning valuable tips on how to birdwatch safely and respectfully. A sampling of bagels will finish the hike.

Geared towards families with children ages 5+.

Pre-registration required, to register contact  
Lisa at [LGauker@countyofberks.com](mailto:LGauker@countyofberks.com)  
or call 484-509-2667.
