

LTAP is continuing to offer classes virtually for at least the first three months of 2021. Please log in to the LTAP website: <https://gis.penndot.gov/LTAP/default.aspx> to register for classes. If you need assistance to login or to become a registered user please feel free to contact Matt McGough at 610 478-6300 ext. 6306 or contact LTAP directly at 1-800-FOR-LTAP

Below is a list of all LTAP training courses being offered for the next 12 months throughout the state of Pennsylvania. In order to view individual class sessions and register to attend a class, you must be a registered user of LTAP. If you are, please login, and if not, create an account and begin using the system. Once logged in, navigate to the class registration section and browse for individual class sessions being held. Instructor, address, and other information about the class session will be available to you there. Enjoy!

Courses currently available: 17 result(s) found
