

## WHAT IS HOUSEHOLD HAZARDOUS WASTE?

Household Hazardous Waste is any household product which is labeled:

CAUTION	DANGER
FLAMMABLE	EXPLOSIVE
TOXIC	WARNING
CORROSIVE	EXPLOSIVE
POISON	VOLATILE

or a combination of these characteristics. Look for warning or skull and crossbones on label. Use this list to identify and collect hazardous products which are no longer usable or wanted. Select a product suited for the job at hand but buy only what you can use entirely.

## WHY COLLECT HOUSEHOLD HAZARDOUS WASTE?

These collection days are intended to provide **Berks County** residents with a responsible way to dispose of old, unusable and unwanted hazardous products. Putting them in the trash or down the drain contributes to the pollution of our air and drinking waters.

## HOW TO BRING MATERIALS TO OUR COLLECTION SITE?

- Do not mix the materials
- Tighten lids on all containers. If containers are leaking, pack in larger containers
- Bring all materials in original containers with labels, if possible.
- If not in original labeled container, please label container used

## ACCEPTABLE MATERIALS

### OIL PAINTS

- Turpentine
- Wood Preservatives
