

WHAT IS HOUSEHOLD HAZARDOUS WASTE?

Household Hazardous Waste is any household product which is labeled:

CAUTION	DANGER
FLAMMABLE	EXPLOSIVE
TOXIC	WARNING
CORROSIVE	EXPLOSIVE
POISON	VOLATILE

or a combination of these characteristics. Look for warning or skull and crossbones on label. Use this list to identify and collect hazardous products which are no longer usable or wanted. Select a product suited for the job at hand but buy only what you can use entirely.

WHY COLLECT HOUSEHOLD HAZARDOUS WASTE?

These collection days are intended to provide **Berks County** residents with a responsible way to dispose of old, unusable and unwanted hazardous products. Putting them in the trash or down the drain contributes to the pollution of our air and drinking waters.

HOW TO BRING MATERIALS TO OUR COLLECTION SITE?

- Do not mix the materials
- Tighten lids on all containers. If containers are leaking, pack in larger containers
- Bring all materials in original containers with labels, if possible.
- If not in original labeled container, please label container used

ACCEPTABLE MATERIALS

(Identification is required)

WHERE TO GO?

April 21, 2012

Exeter Township Municipal Bldg.
(4975 DeMoss Rd. – Exeter Township)

October 20, 2012

FirstEnergy Stadium
(Rt. 61 - Reading)

8:00 AM – 2:00 PM
Rain or Shine

When improperly disposed of, used motor crank case oil and antifreeze can damage the environment and human health.

SOME GUIDELINES

- Don't pour used oil or antifreeze on the ground, down the storm sewer or down any drain.
- Don't burn used oil except in an EPA approved furnace.
- Don't mix used oil with any other liquid.

DO collect the used oil in clean, unbreakable containers with tight fitting lids.

BATTERY DROP OFF SITES:

East Penn Manufacturing
Lyon Station, Pa

Exide Corporation
Reading, Pa.
