A message from your sheriff, Eric J. Weaknecht

This publication of Most Wanted is the 12th issue following the first publication on February 21, 2010, just two years into my first term as Sheriff. Getting that first issue to the public required teamwork -- members in the Sheriff's Office, community partners who purchased ads to pay for production costs, and the Reading Eagle printing department all worked together toward assembling information into one source. Also an important part of our team, then and now, is you -- the citizens of Berks County. Without your eyes and ears, the publication would not prove to be, time and again, a valuable tool for members of law enforcement.

We here in the Sheriff's Office are a group of law enforcement professionals committed to public safety. Diverting resources to ensure this publication continues to reach the public (using zero tax money) remains one of my top priorities. This law enforcement publication is the first of its kind in Berks County that relies on the public for its success. Although the Sheriff's Office also provides information on wanted persons for publication in The Merchandiser, Reading Eagle and in our office newsletter, Inforce, space is limited in each of those publications. Information about persons most wanted is also broadcast on Channel 69 News and on billboards, but the largest broadcasters, by far, are you, the citizens of Berks County, whom we depend on to report information.

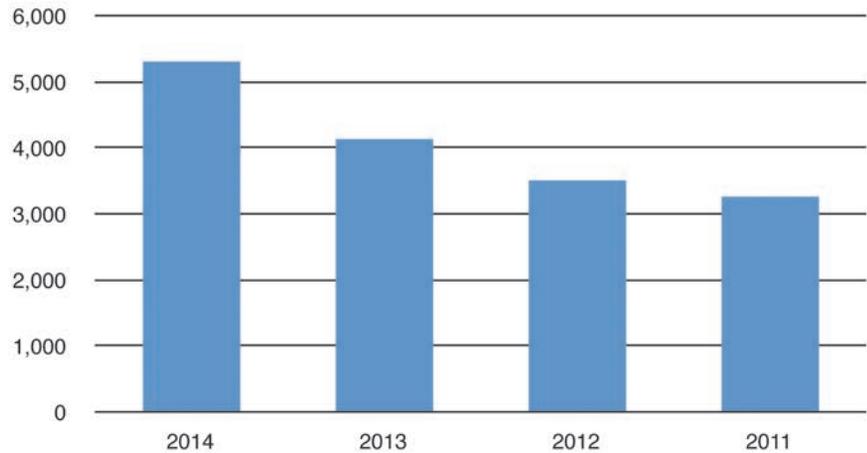

I am extremely proud that the information published in each issue continues to reach members in the community willing to work with law

enforcement to help us locate and capture wanted persons. In the last four years alone, this publication has helped the Berks County Sheriff's Office increase arrests by 53 percent! In fact, five to seven of those identified as the "Top Ten Most Wanted" in each issue are captured following publication.

Unfortunately, the number of people wanted for crimes in Berks County has also increased -- up 30 percent over this same four year time period. The increase

reporting information will be kept confidential):

- Call Crime Alert Berks at 1-877-373-9913
- Send a text or e-mail message from an Apple or Android Smartphone using the Sheriff's Office App. To download the Berks County Sheriff's Office App onto your Apple or Android Smartphone, search "Berks County Sheriff" in the App Store or Google Play.

Number of fugitives with warrants captured over the last four years.

in the number of wanted persons tells us what we already know -- that crime never rests, so neither will we. There will always be those who break the law, so there must always be members of law enforcement to help capture those criminals who want to remain hidden. We hope we can continue to count on you to remain willing to help us in our efforts to remove fugitives from the streets.

An anonymous tip about a wanted person can be conveyed by one of the following methods (as always, all

No one will ask for your name, and you will never be issued a subpoena or be asked to testify -- you need only provide what information you know about any of the wanted persons identified in this publication.

Most Wanted can also be accessed on the Sheriff's Office website at: www.co.berks.pa.us/Dept/Sheriff/Pages/MostWanted

Thank you Berks County for helping law enforcement everywhere continue to do their duty to serve and protect.
