Partner agency specific addendums to this MOU are located in Appendix B.

Priority of Service

All Parties certify that they will adhere to all statutes, regulations, policies, and plans regarding priority of service, including, but not limited to, priority of service for veterans and their eligible spouses, and priority of service for the WIOA title I Adult program, as required by 38 U.S.C. sec. 4215 and its implementing regulations and guidance, and WIOA sec. 134(c)(3)(E) and its implementing regulations and guidance. Partners will target recruitment of special populations that receive a focus for services under WIOA, such as individuals with disabilities, low-income individuals, basic skills deficient youth, and English language learners.

Non-Assignment

Except as otherwise indicated herein, no Party may, during the term of this MOU or any renewals or extensions of this MOU, assign or subcontract all or any part of the MOU without prior written consent of all other Parties.

Steps to Reach Consensus

Notification

The operator, at the direction of the WDB, will notify partners in writing that it is necessary to renew and execute the MOU and provide all applicable policies and preceding MOU documents, as applicable.

Draft MOU

The WDB will draft an MOU following Federal and Commonwealth regulations/guidance. An electronic copy of the draft will be distributed to MOU Parties for comment.

Negotiations

Within two (2) weeks of receipt of the draft MOU, all Parties must review and return feedback to the WDB. It is advised that each Party also use this time to allow their respective Legal Departments to review the MOU for legal sufficiency. It is the responsibility of the WDB to ensure all PA CareerLink[®] Partners to the MOU are aware of the comments and revisions that are needed. If necessary, a meeting of all partners may be convened to discuss comments and complete a final agreement.

The WDB will secure Partner signatures within four (4) weeks of circulation of the final agreement. The WIOA MOU will be considered fully executed once all signatories have reviewed and signed, and a signed copy has been returned to all Parties.

If determined that a Partner is unwilling to sign the MOU, then the WDB must ensure that the dispute resolution process is followed.

Dispute Resolution

This dispute resolution process is not applicable to Section VI. Infrastructure Funding Agreement.

The following section details the dispute resolution process designed for use by the Partners when unable to successfully reach an agreement necessary to execute the MOU. A disagreement is considered to have reached the level of dispute resolution when an issue arises out of the development and negotiation of an MOU that is not easily coming to a point of resolution. It is the responsibility of the WDB to coordinate the MOU dispute resolution to ensure that issues are being resolved appropriately. Any party to the MOU may seek resolution under this process.

- All Parties are advised to actively participate in Local negotiations in a good faith effort to reach agreement. Any disputes shall first be attempted to be resolved informally by staff to the WDB.
- Should informal resolution efforts fail, the dispute resolution process must be formally initiated by the petitioner seeking resolution. The petitioner must send a notification to the WDB COO and all Parties to the MOU regarding the conflict within 30 calendar days.
- The Board Chair will appoint a Special Committee consisting of five board members whom are not parties to the MOU to attempt to mediate and resolve the dispute. Disputes shall be resolved by a simple majority consent of the Special Committee members.
- The decision of the Special Committee shall be final and binding unless such a decision is in contradiction of applicable State and Federal laws or regulations governing the Partner agencies.
- The right of appeal no longer exists when a decision is final. Additionally, final decisions will not be precedent-setting or binding on future conflict resolutions unless they are officially stated in this procedure.
- The Special Committee must provide a written response and dated summary of the proposed resolution to all Parties to the MOU.
- The WDB COO will contact the petitioner and the appropriate Parties to verify that all are in agreement with the proposed resolution.

Modification

This MOU may be modified through mutual consent of the WDB and a majority of Partners, given thirty (30) days advance notice in writing, except as provided elsewhere with respect to termination or withdrawal of a Partner.

The parties to the MOU delegate to the Operator the authority to act for the Partners in the execution of minor modifications, as so designated by the WDB.

Any modifications to the MOU must, to be valid, be in writing, signed, dated by the Parties, with the effective date noted, and appended to the original MOU.

If any part of this MOU is, for any reason, later found to be invalid, the effectiveness of the remainder of the MOU shall not be impaired.

Non-substantive changes to the MOU, such as minor revisions to the budget or adjustments made due to the annual reconciliation of the budget, do not require renewal of the MOU.

Termination

This MOU will remain in effect until the end date specified in the Effective Period section below, unless:

- All Parties mutually agree to terminate this MOU prior to the end date.
- Federal oversight agencies charged with the administration of WIOA are unable to appropriate funds or if funds are not otherwise made available for continued

performance for any fiscal period of this MOU succeeding the first fiscal period. Any party unable to perform pursuant to MOU due to lack of funding shall notify the Operator as soon as the party has knowledge that funds may be unavailable for the continuation of activities under this MOU.

- WIOA is repealed or superseded by subsequent federal law.
- Local area designation is changed under WIOA.
- A party breaches any provision of this MOU and such breach is not cured within thirty (30) days after receiving written notice from the WDB Chair (or designee) specifying such breach in reasonable detail. In such event, the non-breaching party(s) shall have the right to terminate this MOU by giving written notice thereof to the party in breach, upon which termination will go into effect immediately.

In the event of termination, the Operator will convene Parties to the MOU within thirty (30) days after the breach of the MOU to discuss the formation of the successor MOU. At that time, allocated costs must be addressed.

Any party may request to terminate its inclusion in this MOU by following the modification process identified in the Modification section above.

Effective Period

This MOU is entered into on July 1, 2017 and must terminate on June 30, 2019, unless any of the reasons in the Termination section above apply.

V. One-Stop Operating Budget

The purpose of this section is to establish a program year financial plan, including terms and conditions, to fund the services and operating costs of the PA CareerLink[®] Berks County. The Parties to this MOU agree that joint funding is a necessary foundation for an integrated service delivery system. The goal of the annual operating budget is to develop a funding mechanism that:

- Establishes and maintains the Local workforce delivery system at a level that meets the needs of the job seekers and businesses in the Local area,
- Reduces duplication and maximizes program impact through the sharing of services, resources, and technologies among Partners (thereby improving each program's effectiveness),
- Reduces overhead costs for any one partner by streamlining and sharing financial, procurement, and facility costs, and
- Ensures that costs are appropriately shared by American Job Center Partners by determining contributions based on the proportionate use of the one-stop centers and relative benefits received, and requiring that all funds are spent solely for allowable purposes in a manner consistent with the applicable authorizing statutes and all other applicable legal requirements, including the Uniform Guidance.

The Partners consider this one-stop operating budget the master budget that is necessary to maintain the PA CareerLink[®] Berks County. It includes the following cost categories, as required by WIOA and its implementing regulations:

- Infrastructure costs (also separately outlined in the Infrastructure Funding Agreement (IFA)),
- Career services, and
- Shared services.

All one-stop operating budget costs must be included in the MOU, allocated according to Partners' proportionate use and relative benefits received, and reconciled on a quarterly basis against actual costs incurred and adjusted accordingly. The one-stop operating budget is expected to be transparent and negotiated among Partners on an equitable basis to ensure costs are shared appropriately. All Partners must negotiate in good faith and seek to establish outcomes that are reasonable and fair.

All Partners are in agreement that they will contribute to the overall operations of the PA CareerLink[®] Berks County service delivery system, as detailed in the PA CareerLink[®] Berks County One-Stop Operating Budget.

For purposes of equity and to allow predictability in budget planning, withdrawal, or reduction in staff, of a Partner shall not relieve the Partners of the obligation to continue to support the PA CareerLink[®] Berks County budget through the remainder of the current budget year on the basis calculated on the number of Full-Time Equivalent employees projected in the One-Stop Operating Budget at the beginning of the budget year.

Partners understand and agree that the one-stop operating budget will be updated and approved annually via a separate approval process. The new one-stop operating budget will become an addendum to this MOU.

Additional Partners may withdraw from this MOU effective with each new program year. To do so the Additional Partner must notify the WDB in writing that they do not intend to remain a partner within 30 calendar days of receipt of the new program year budget. The withdraw will become effective the first day of the new program year.

The detailed operating budget (Resource Sharing Agreement Budget, RSAB) and one-stop staffing survey can be found in Appendix C & D.

Note:

* U.C. contribution is calculated on cost/square foot, DCED was a direct allocation

Non-physically Located Partner Cost Allocation

The cost allocation for non-physically located partners is calculated by taking the total square footage used to provide basic career services and dividing it by the total square footage used for all career services (basic and individual). The result will then be used as the FTE share to be applied against costs shared by all partners.

Costs

The Partners constituting the PA CareerLink[®] Berks County, as an entity, have available to it only such funds as included in the current year's approved One-Stop Operating Budget. The PA CareerLink[®] Berks County itself is not, and will not be, a funding agency.

The basic constant used to identify shared costs among the PA CareerLink[®] Berks County Partners is that these costs shall include those required to provide shared services to customers and/or to provide mutually agreeable services not now provided by any individual partners.

Except for positions identified on the One-Stop Operating Budget as a shared cost, the One-Stop Operating Budget shall not include the personnel costs incurred by any of the Partners with respect to salaries, fringe benefits, travel and expenses or similar expenditures.

The costs identified by the Operator and Partners, and approved by the WDB as part of the One-Stop Operating Budget shall be allocated on the basis of Full-Time Equivalent Employees (FTEs), with the exception of those costs identified as "direct charges". FTEs are defined, for purposes of the agreement, as "individuals in the building" regardless of the number of hours per week worked. Further, the Site Administrator, and the shared front desk position are exempted from the count of FTEs.

The County of Berks shall be the fiscal agent for the PA CareerLink[®] Berks County.

All procurement and expenditures made with One-Stop Operating Budget funds will be made following policies and procedures set by the County of Berks and in accordance with applicable Federal and State guidelines.

The County of Berks shall hold the lease on the PA CareerLink[®] Berks County facilities. The per square foot rate set in the lease, plus any additional maintenance expenses, as defined in the lease will be apportioned to the Partners based on FTEs.

The Operator, through the PA CareerLink[®] Berks County Administrator, shall submit requests to procure materials, supplies and services to the WDB for review and approval prior to any purchase.

The One-Stop Operating Budget shall apportion charges among the Partners on the basis of cost pools structured around the functions the Partners have agreed to and from which

they benefit. All such pools shall be calculated on the basis of FTEs, with the exception of those costs identified as “direct charges”.

At the beginning of each program year the WDB shall calculate the apportionment on which partners shall be billed based on each partner’s relative share of the full-time equivalent staff covered by the One-Stop Operating Budget. The WDB shall also recalculate that apportionment at the beginning of each subsequent quarter based on increases in staffing by the partners including addition of new partners, or increases in the numbers of FTEs by any of the partners.

The WDB will provide the Operator with monthly statements of account on the One-Stop Operating Budget. Partners will be invoiced on a quarterly basis within 30 days after the end of the quarter being billed.

The County of Berks is the leaseholder and all partners and parties to this MOU agree to abide by the terms of the Lease Agreement between the County of Berks and owner of the premises in those areas that are applicable for an occupant of the premises. If, for any reason, the Lease Agreement is cancelled or terminated, the facilities operating costs section of the One-Stop Operating Budget is similarly cancelled or terminated. A copy of the Lease Agreement is available on request from the WDB.

None of the Partners shall make any alteration to the Premises without the prior written consent of the WDB, and such consent shall not be unreasonably withheld.

All Partners will cooperate with the leaseholder and owner of the premises in maintaining the facility in good condition. The owner of the premises is responsible for maintaining and repairing the exterior of the building, including lawn care and the removal of snow and ice, and for all internal systems in the building.

Each Partner shall procure and maintain at its expense, unless it is self-insured under the laws of the Commonwealth, the following types of insurance in the amounts indicated, issued by companies acceptable to the Commonwealth and authorized to conduct such business therein:

- Comprehensive General Liability insurance covering bodily injury and property damage with limits of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate;
- Commercial Automobile Liability insurance with a combined single limit of not less than \$1,000,000;
- Professional Liability insurance with limits of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate;
- Umbrella/Excess Liability insurance with limits of not less than \$2,000,000 per occurrence and \$2,000,000 aggregate; and
- Worker’s Compensation insurance in statutory limits; and Employer’s Liability insurance with limits of not less than \$100,000 each incident, \$500,000 disease-policy limit, and \$100,000 disease-each employee.

Prior to use or occupancy of the premises, all Partners shall provide Certificates of Insurance to the WDB. Any Partner which is self-insured will notify the WDB in writing, and explain the procedures for filing a claim. The WDB will maintain copies of Certificates of Insurance and make them available upon request to the Leaseholder. These Certificates should contain a provision that the coverage afforded under the policies shall not be canceled or changed until at least 30 days advance written notice has been provided to the WDB.

Each Partner shall be responsible for and agrees to indemnify and hold harmless the Leaseholder from damage to property and injuries (including death) to any person(s) and any other losses, damages, expenses, claims, demands, suits, and actions by any party against the Leaseholder in connection with the Partner's use of the premises. Partners that are political subdivisions of the Commonwealth are liable only to the extent authorized by law.

The Partner's agreement to pay facility costs to the Leaseholder through the WDB shall be binding upon all of the Partners and their respective successor(s) and assigns.

The Partners agree to comply with all Federal, State, County, Municipal and other governmental statutes, laws, rules, orders, regulations, and ordinances affecting the premises.

Program Income

Program income for the PA CareerLink[®] Berks County will be generated whenever the PA CareerLink[®] Berks County receives payment in the form of revenue for providing a service and that service is not clearly attributable to any Partner or funding source, but is rather provided by the common resources of the PA CareerLink[®] Berks County. Examples might include the daily rental of space to an employer for on-site recruiting, specialized testing or similar situations and circumstances.

The PA CareerLink[®] Berks County will allocate and use program income in compliance with the guidelines included in the PA Department of Labor & Industry WSP No. 03-2015 Financial Management Policy issued 12/22/15 and applicable federal OMB circulars. Program income will be tracked separately using the net-income method.

Decisions on the expenditure of program income under \$2,500 will be the prerogative of the Operator but shall always be for common purposes, rather than the benefit of any Partner or individual. Expenditures over \$2,499.99 will require the agreement (expressed on a signature sheet) of the major contributors to the One-Stop Operating Budget. Expenditure of program income generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period will be expended in conformance with the terms and conditions of the grant.

The WDB will provide the Operator with monthly statements of account for program income.

The Operator, in the expenditure of program income, will follow purchasing and procurement guidelines as established by the WDB in accordance with Federal, State, and Local regulations.

Modification

Modification to the One-Stop Operating Budget need only be agreed to by those parties whose total budgeted amount has been increased.

VI. Infrastructure Funding Agreement (IFA)

These costs are part of the one-stop operating budget described in Section V.

PA CareerLink[®] Berks County infrastructure costs are defined as non-personnel costs that are necessary for the general operation of the PA CareerLink[®] Berks County, including, but not limited to:

- Rental of the facilities;
- Utilities and maintenance;
- Equipment, including assessment-related products and assistive technology for individuals with disabilities; and,
- Technology to facilitate access to the PA CareerLink[®] Berks County, including technology used for the center’s planning and outreach activities.
- Common identifier marketing cost.
- Outreach expenses.

All Parties to this MOU and IFA recognize that infrastructure costs are applicable to all required Partners, whether they are physically located in the PA CareerLink[®] Berks County or not. Each partner’s contributions to these costs, however, may vary, as these contributions are based on the proportionate use and relative benefit received, consistent with the Partner programs’ authorizing laws and regulations and the Uniform Guidance.

Dispute Resolution

All Parties will actively participate in IFA negotiations in a good faith effort to reach agreement. Any disputes shall first be attempted to be resolved informally.

If the Required Partners have attempted informal dispute resolution and have failed to reach consensus on an issue pertaining to the IFA, then an impasse is declared and the State Funding Mechanism (SFM) is triggered. The WDB will submit the “Report of Outcomes from Local Operating Budget Negotiations” form to inform the state of the impasse.

Commonwealth of Pennsylvania Required Terms and Conditions

1. COMMONWEALTH HELD HARMLESS

- a. The Parties shall hold the Commonwealth harmless from and indemnify the Commonwealth against any and all third party claims, demands and actions based upon or arising out of any activities performed by the Parties and their employees and agents under this Agreement, provided the Commonwealth gives the Parties prompt notice of any such claim of which it learns. Pursuant to the Commonwealth Attorneys Act (71 P.S. Section 732-101, et seq.), the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG may, however, in its sole discretion and under such terms as it deems appropriate, delegate its right of defense. If OAG delegates the defense to a Party, the Commonwealth will cooperate with all reasonable requests of the Party made in the defense of such suits.
- b. Notwithstanding the above, no party shall enter into any settlement without the other parties written consent, which shall not be unreasonably withheld. The Commonwealth may, in its sole discretion, allow a Party to control the defense and any related settlement negotiations.
- c. No provision in this Agreement shall be construed to limit the sovereign immunity of the Commonwealth.

2. NONDISCRIMINATION/SEXUAL HARASSMENT CLAUSE

The Parties agree:

- a. In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the Agreement or any subcontract, the Party, each subcontractor, or any person acting on behalf of a Party or subcontractor shall not discriminate in violation of the *Pennsylvania Human Relations Act* (PHRA) and applicable federal laws against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
- b. No Party nor any subcontractor nor any person on their behalf shall in any manner discriminate in violation of the PHRA and applicable federal laws against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under this Agreement.
- c. The Parties and each subcontractor shall establish and maintain a written nondiscrimination and sexual harassment policy and shall inform their employees

of the policy. The policy must contain a provision that sexual harassment will not be tolerated and employees who practice it will be disciplined. Posting this Nondiscrimination/Sexual Harassment Clause conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.

- d. The Parties and each subcontractor shall not discriminate in violation of PHRA and applicable federal laws against any subcontractor or supplier who is qualified to perform the work to which the Agreement relates.
- e. The Parties and each subcontractor represents that it is presently in compliance with and will maintain compliance with all applicable federal, state, and local laws and regulations relating to nondiscrimination and sexual harassment. Each Party and each subcontractor further represents that it has filed a Standard Form 100 Employer Information Report (“EEO-1”) with the U.S. Equal Employment Opportunity Commission (“EEOC”) and shall file an annual EEO-1 report with the EEOC as required for employers subject to *Title VII of the Civil Rights Act of 1964*, as amended, that have 100 or more employees and employers that have federal government contracts or first-tier subcontracts and have 50 or more employees. Each Party and each subcontractor shall, upon request and within the time periods requested by the Commonwealth, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to their books, records, and accounts by the contracting agency and the Bureau of Diversity, Inclusion & Small Business Opportunities (BDISBO), for purpose of ascertaining compliance with provisions of this Nondiscrimination/Sexual Harassment Clause.
- f. Each Party shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that those provisions applicable to subcontractors will be binding upon each subcontractor.
- g. Each Party’s and each subcontractor’s obligations pursuant to these provisions are ongoing from and after the effective date of the Agreement through the termination date thereof. Accordingly, each Party and each subcontractor shall have an obligation to inform the Commonwealth if, at any time during the term of the Agreement, it becomes aware of any actions or occurrences that would result in violation of these provisions.
- h. The Commonwealth may cancel or terminate the Agreement and all money due or to become due under the Agreement may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the agency may proceed with debarment or suspension and may place a Party in the Contractor Responsibility File.

3. CONTRACTOR INTEGRITY PROVISIONS

For purposes of these provision, “Contractor” means the individuals or entities that have entered into this Agreement with the Commonwealth and “contract” means this Agreement.

It is essential that those who seek to contract with the Commonwealth of Pennsylvania (“Commonwealth”) observe high standards of honesty and integrity. They must conduct themselves in a manner that fosters public confidence in the integrity of the Commonwealth contracting and procurement process.

a. DEFINITIONS. For purposes of these Contractor Integrity Provisions, the following terms shall have the meanings found in this Section:

- 1) **“Affiliate”** means two or more entities where (a) a parent entity owns more than fifty percent of the voting stock of each of the entities; or (b) a common shareholder or group of shareholders owns more than fifty percent of the voting stock of each of the entities; or (c) the entities have a common proprietor or general partner.
- 2) **“Consent”** means written permission signed by a duly authorized officer or employee of the Commonwealth, provided that where the material facts have been disclosed, in writing, by prequalification, bid, proposal, or contractual terms, the Commonwealth shall be deemed to have consented by virtue of the execution of this contract.
- 3) **“Contractor”** means the individuals or entities, that have entered into this Agreement with the Commonwealth.
- 4) **“Contractor Related Parties”** means any affiliates of the Contractor and the Contractor’s executive officers, Pennsylvania officers and directors, or owners of 5 percent or more interest in the Contractor.
- 5) **“Financial Interest”** means either:
 - a) Ownership of more than a five percent interest in any business; or
 - b) Holding a position as an officer, director, trustee, partner, employee, or holding any position of management.
- 6) **“Gratuity”** means tendering, giving, or providing anything of more than nominal monetary value including, but not limited to, cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, services, employment, or contracts of any kind. The exceptions set forth in the [*Governor’s Code of Conduct, Executive Order 1980-18*](#), the *4 Pa. Code §7.153(b)*, shall apply.
- 7) **“Non-bid Basis”** means a contract awarded or executed by the Commonwealth with Contractor without seeking bids or proposals from any other potential bidder or offeror.

b. In furtherance of this policy, Contractor agrees to the following:

- 1) Contractor shall maintain the highest standards of honesty and integrity during the performance of this contract and shall take no action in violation of state or federal laws or regulations or any other applicable laws or regulations, or other requirements applicable to Contractor or that govern contracting or procurement with the Commonwealth.
- 2) Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to the Contractor activity with the Commonwealth and Commonwealth employees and which is made known to all Contractor employees. Posting these Contractor Integrity Provisions conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.
- 3) Contractor, its affiliates, agents, employees and anyone in privity with Contractor shall not accept, agree to give, offer, confer, or agree to confer or promise to confer, directly or indirectly, any gratuity or pecuniary benefit to any person, or to influence or attempt to influence any person in violation of any federal or state law, regulation, executive order of the Governor of Pennsylvania, statement of policy, management directive or any other published standard of the Commonwealth in connection with performance of work under this contract, except as provided in this contract.
- 4) Contractor shall not have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material under this contract, unless the financial interest is disclosed to the Commonwealth in writing and the Commonwealth consents to Contractor's financial interest prior to Commonwealth execution of the contract. Contractor shall disclose the financial interest to the Commonwealth at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor's submission of the contract signed by Contractor.
- 5) Contractor certifies to the best of its knowledge and belief that within the last five (5) years Contractor or Contractor Related Parties have not:
 - a) been indicted or convicted of a crime involving moral turpitude or business honesty or integrity in any jurisdiction;
 - b) been suspended, debarred or otherwise disqualified from entering into any contract with any governmental agency;
 - c) had any business license or professional license suspended or revoked;
 - d) had any sanction or finding of fact imposed as a result of a judicial or administrative proceeding related to fraud, extortion, bribery, bid rigging, embezzlement, misrepresentation or anti-trust; and

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Commonwealth will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract it becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.

- 6) Contractor shall comply with the requirements of the *Lobbying Disclosure Act (65 Pa.C.S. §13A01 et seq.)* regardless of the method of award. - 7) When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or the Office of the State Inspector General in writing.
- 8) Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract, to include any extensions thereof. Contractor shall immediately notify the Commonwealth in writing of any actions for occurrences that would result in a violation of these Contractor Integrity Provisions. Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of the State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- 9) Contractor shall cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity

Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third party beneficiaries shall be created thereby.

- 10) For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. Such notification shall be made within 15 days of the date of suspension or debarment.

Foreign Labor Certification

1. Description of Services

The H2A (Temporary Agricultural Program) and H2B (Temporary Non- Agricultural Program) help U.S employers fill jobs while protecting U.S. and foreign workers. Hiring foreign workers for employment in the U.S. normally requires approval from several government agencies. First, employers must seek labor certification through the U.S. Department of Labor (DOL). Once the application is certified (approved), the employer must petition the U.S. Citizenship and Immigration Services (CIS) for a visa. Approval by DOL does not guarantee a visa issuance. The Department of State (DOS) will issue an immigrant visa number to the foreign worker for U.S. entry. Applicants must also establish that they are admissible to the U.S. under the provisions of the [Immigration and Nationality Act \(INA\)](#).

Although each foreign labor certification program is unique, there are similar requirements that the employer must complete prior to the issuance of a labor certification. In general, the employer will be required to complete these basic steps to obtain a labor certification:

- a. The employer must ensure that the position meets the qualifying criteria for the requested program.
- b. The employer must complete the ETA form designated for the requested program. This may include the form and any supporting documentation (e.g., job description, resume of the applicant, etc.).
- c. The employer must ensure that the wage offered equals or exceeds the prevailing wage for the occupation in the area of intended employment.
- d. The employer must ensure that the compliance issues affected upon receipt of a foreign labor certification are completely understood.
- e. The completed ETA form is submitted to the designated Department of Labor office for the requested program (e.g., SWA, processing center or the national office).
- f. The employer is notified of the determination of the Department of Labor.

2. Access to Services

Access to H2A Foreign Labor Certification services will be provided within the local workforce development system through the Bureau of Workforce Partnership & Operations (BWPO). BWPO is the State Workforce Agency (SWA) responsible for helping Pennsylvania employers hire foreign workers in accordance with federal regulations.

- a. BWPO is in partnership with the PA CareerLink[®] network of one-stop service centers. These centers are located throughout the state and help employers recruit qualified U.S. workers through the automated, self-service Job Gateway.
- b. The Foreign Labor Certification Unit (FLC), a work unit within BWPO Central Office, provides employers with other U.S. Department of Labor (USDOL) mandated foreign labor certification process services, and helps employers

complete the SWA related segments of the temporary foreign labor H-2A and H2B.

- c. PA CareerLink[®] staff assist in administering an internet based labor exchange called Job Gateway[®]. This self-service, automated system enables employers, attorneys or agents to submit job postings and search for workers, while job seekers search the job postings and submit their resumes or job applications to the employers or their Points of Contact (POC). In addition to enabling employers or their POCs to independently submit and manage job postings, the self-serve system permits employers or their POCs to obtain job posting "My Candidates" lists 24 hours a day, seven days a week at www.jobgateway.pa.gov.
- d. PA CareerLink[®] staff also offer a variety of other employer services including education and training services to help employers build a quality workforce.
- e. PA CareerLink[®] staff help employers fulfill part of the USDOL requirements for FLC by helping them recruit U.S. workers and determine whether or not there are any qualified job applicants available to fill their job postings. The goal, as required, is to find U.S. workers for all positions.

3. Agreement on funding the costs

All one-stop operating budget costs must be included in the MOU, allocated according to BWPO's proportionate use and relative benefits received, and reconciled on a quarterly basis against actual costs incurred and adjusted accordingly. The one-stop operating budget is expected to be transparent and negotiated among Partners on an equitable basis to ensure costs are shared appropriately. All Partners must negotiate in good faith and seek to establish outcomes that are reasonable and fair.

4. Methods for referral

The primary principle of the referral system is to provide integrated and seamless delivery of services to workers, job seekers, and employers. To facilitate such a system, Partners will agree to:

- Familiarize themselves with the basic eligibility and participation requirements of all BWPO programs, as well as with the available services and benefits offered.
- Review materials summarizing BWPO program requirements and make them available for Partners and customers.
- Develop and utilize intake, eligibility determination, assessment, and registration processes.
- Provide substantive referrals to customers who are eligible for supplemental and complementary services and benefits under partner programs.
- Regularly evaluate ways to improve the referral process, including the use of customer satisfaction surveys.
- Commit to robust and ongoing communication required for an effective referral process, and to actively follow up on the results of referrals.

5. Methods to ensure those with barriers to employment are served

BWPO staff are required to keep records of time spent assisting UC claimants and employers and there are certain identified personnel services that BWPO staff provide that are reimbursed by the UC Program. The reimbursable services and requirements are defined in a separate document entitled Memorandum of Cooperation Between the Unemployment Compensation Programs and Workforce Development Within the Department of Labor & Industry. BWPO staff will continue their processes for referral with approved activities they conduct on UC's behalf. This would include opportunities for referral through partner collaboration.

The UC Board of Review utilizes space in certain PA CareerLink® sites for UC appeal hearings. For the UC appeal hearings, the PA CareerLink® sites shall provide a room with a minimum of 300 square feet, where that size exists within the site, provide access to a copier a networked computer and provide a telephone in the hearing room with conferencing and speaker capabilities. Additionally, UC Tax Services utilizes space in certain PA CareerLink® sites for UC Tax staff. Any change to physical PA CareerLink® sites utilized by the UC Board of Review or UC Tax must be communicated to the Deputy Secretary of UC no less than 90 days prior to any changes occurring including, but not limited to, PA CareerLink® closure, relocation, or proposed mobile concepts.

The cost of the space utilized for the UC courtesy telephones and computers (25 square feet for each device) and for the space utilized by the UC Board of Review, where applicable, will be negotiated and detailed in separate Resource Sharing Agreements. Invoices shall be submitted by the 15th day following the end of the quarter by email to the UC Program Fiscal Management Specialist. Each PA CareerLink® shall submit separate invoices for the phone, computer and UC Board of Review. Invoices will be processed upon UC Program approval.

Manner in which those services will be provided:

Assistance to individuals filing an unemployment claim will be provided by offering a courtesy telephone at PA CareerLink® sites which is dedicated to serving one-stop customers in a timely manner. In addition, a computer may also be provided to allow one-stop customers access to unemployment compensation services online along with informational UC postings, signs, pamphlets and forms for UC claimants and employers.

Physical accessibility of PA CareerLink® sites and services will be assured in collaboration with the local board. In addition to physical accessibility, UC provides programmatic accessibility through TTY on its dedicated courtesy telephones, as well as bilingual translation and sign language interpretation when needed. Partner collaboration locally will ensure all special populations can be served via referral to partner program supports.

WIOA Section 121(c)(2) requires that this Memorandum of Understanding (MOU) contains

provisions describing the services to be provided through the one-stop delivery system, including the manner in which the services will be coordinated and delivered through the system.

Department of Community and Economic Development

Description of Services and Contributions

The PA Department of Community and Economic Development (DCED) is the commonwealth agency that represents the required one-stop (PA CareerLink® partner) representing employment and training activities carried out under the Community Services Block Grant Act (42. U.S.C. 9901 et seq.) at the state level.

The mission of the Community Services Block grant (CSBG) is to provide a full range of services and activities having a measurable impact on the causes of poverty in a community or those areas of a community where poverty is a particularly acute problem. Only federally designated Community Action Agencies (CAA) receive funding, therefore in PA, there are 44 CAAs that cover all 67 PA counties.

Ameliorating the causes and conditions of poverty take on a variety of community engagement activities and collaborative activism to remove obstacles that block the achievement of self-sufficiency; i.e. employment and training resources; community stakeholder collaboration; literacy activities; obtaining adequate housing; grassroots activities that provide intervention to the causes of poverty; addressing the needs of youth through programming or coordination; and increased engagement in community planning and improvement activities.

CSBG has been in existence since 1965, always with the same mission: to improve the causes and conditions of poverty. Initiatives have included, but are not limited to: neighborhood linkages, leverage of community resources, conduction of Volunteer Income Tax Assistance sites, building housing capacity, provision of family self-sufficiency and case management, facilitation of Results-Oriented Management and Accountability. For every \$1 of CSBG funds, the PA network leveraged \$16.82 from other federal, state, local and private sources, including the calculated value of volunteer hours.

DCED will participate in the local workforce service delivery system via the local CSBG agencies. CSBG agencies located in this local workforce development area may:

- Participate on local and regional planning groups;
- Engage in Business Service Teams activities;
- Have print materials available in the PA CareerLink® centers;
- Be linked to local workforce websites on computers;
- Potentially hold meetings at PA CareerLink® centers;
- Conduct joint employer outreach sessions as necessary; and
- Seek to leverage grant funding opportunities.

DCED will contribute financial assistance to be applied to the infrastructure and other operating costs of the PA CareerLink® sites annually and to the extent funding exists.

It is DCED's commitment that CSBG, as a required partner, will become part of the fabric of the public workforce system in a much more formalized way than in the previous years.
