

# Brighten the corner where you are!

*Do you wish you had more flowers, but just can't find the time to plant? We can help with potted flowers delivered to your door in Leesport! The actions of each of us doing a little bit will add up to a large impact! Can you imagine people driving down your street remarking about all the nice flowers? Funds raised from this project are used to purchase flowers for the Fire Company, Library, Borough Hall, Post Office, Ambulance, Lockhouse and roadside tubs. Be sure to attend the second annual garden tour on June 16th. Proceeds from the tour will benefit plantings at the Lockhouse. Thank you!*
