Mr. Klinger stated that it is his and his wife’s property and he recuses himself from voting. Bethany Emkey explained that because Mr. Klinger does have a conflict he has to abstained from voting. Solicitors Report:

Tax Collector fees charged - After the examinations of the recent tax collection items that the tax certification is currently at $15.00 per certification and typically the charge for that in Berks County is about $30.00 to $40.00 and the fee for a duplicate tax bill currently is no charge in North Heidelberg Township which typically is $5.00 to $10.00. If the Board was inclined to make any changes to the fees, the Solicitor would have to prepare an ordinance to do so. It would need to be motioned to be advertised to adopt the ordinance at the February meeting. The Tax Collector keeps all fees charged. Mr. Eves mentioned that the Board will spend money to advertise the adoption of the ordinance and for the Solicitor to prepare the ordinance and the Tax Collector keeps the money. The Board decided not to make any changes for fees charged.
