

Berks County Department of Emergency Services is requesting your assistance!

Berks Alert is now open to the public for registration. Berks County and municipal governments will be able to access this system to notify residents of emergencies affecting the county and your municipality. First step is to have people register to receive text alerts and/or emails. The Second step is to train your Emergency Management officials in the use of the system. Our request is to have the message below placed on Municipal websites and/or newsletters to get the word out.

Find Out First.

Get local alerts about emergencies, severe weather, and road closures on your cell or email.

Emergencies, Severe Weather, Traffic Alerts.

When situations arise in Berks County that may affect you and your family, Berks Alert lets local officials notify you quickly. Be among the first to find out and stay informed during an emergency.

The icon is a link to register with Berks Alert. I have provided the link here if the icon does not work; www.berkalert.org . If you would have any questions, please do not hesitate to give me a call.

Thank you in advance for your assistance,
