

**ACKNOWLEDGMENT OF POOL MEMBERSHIP
AND OCCUPANCY LIMITS**

Monday, May 3, 2021

Under the guidelines set forth by the Commonwealth of Pennsylvania, the maximum occupancy limit for the Shillington Pool, as of the above date, is Six Hundred and Sixty (660) people, including staff. If the occupancy limit is reached, entrance into the pool will be denied until openings are available. Being a season ticket holder does not guarantee entrance into the pool area if the facility is at capacity.

The capacity limits will be adjusted should the Commonwealth make changes to gathering limits. If the Commonwealth mandates the closing of the facility or reduces the occupancy limit after the opening of the pool (Saturday, May 29, 2021), **NO REFUNDS** will be issued to season ticket holders. If capacity limits are eased by the Commonwealth, the occupancy limits will be adjusted upwards to the maximum level allowable.

Additionally, should the pool experience a COVID-19 outbreak and be closed for the required quarantine period, **NO REFUNDS** will be issued to season ticket holders.

Please remember that all pool members will be required to show their ticket for admittance into the pool.

As a season ticket holder, I do hereby acknowledge that I have read and understand the information provided in this document.
