

MISSION STATEMENT

OF THE

SHILLINGTON POLICE DEPARTMENT

We exist to serve all people within our jurisdiction, with respect, fairness and compassion; and we will be sensitive to the priorities and needs of the people.

We are committed to the protection of life and property, the preservation of peace, order, and safety; the enforcement of laws and the safeguarding of constitutional rights.

With community service as our foundation, we are driven by goals to enhance the quality of life in the Borough by investigating problems as well as incidents, seeking solutions, and fostering a sense of security in the community.

We are going to gain public trust and support by holding ourselves to the highest standards of performance in our duties.

To satisfy this mission statement/philosophy, the Shillington Police Department is dedicated to providing a quality work environment, to recognizing the individual worth of each of its members, and to developing its work force through effective training and management.
