BOARD OF SUPERVISORS (PRESENT)

Chairman: Thomas R. Byrne

I have been a resident of South Heidelberg Township all of my life. I attended both Conrad Weiser High School and Shippensburg University. Upon graduation, my wife and I built a house within the Township and had two children. We currently reside on the mountain in one of the many older historical properties in South Heidelberg. We are the owners of two local businesses...SpringRose Childcare Center & Berkshire Technology Solutions.

My favorite personal hobby is playing golf. I have a strong interest in US History with a special focus on both the Civil War and World War II. Local history, including the remarkable past resorts of South Mountain, is also a focus. I have been very active as a youth sports coach within the Conrad Weiser community for the past 9 years. My Wife and I also contribute a significant amount of time and resources to local charities with a focus on helping children.

Over the past few years, I have become an active resident within South Heidelberg Township government and local projects. I am honored to serve the people in the Township in the Elected Role as a Supervisor. My goal is to engage more of the talented local residents in the Township's affairs with an overall vision on improving all aspects of South Heidelberg. I will put forward my best effort to preserve the local history, act as a voice for the residents, and promote economic growth that is both responsible and safe for all residents.

Vice Chairman: David A. Schaeffer

I have been a resident of South Heidelberg Township all of life. My family has owned The Grand View Dairy Farm since 1930. I now own and operate the farm with my brother Brian. My wife Ginny and I, are the proud parents of two daughters.

When I am not in the fields farming, I enjoy playing fast pitch softball and sports with my children.

I have been a life long member of St. John's (Hain's) United Church of Christ . I serve as a Sunday School Teacher, Trustee, and am active on the Nominating Committee.

I became a Supervisor in January 2002. I am proud to be a Supervisor of this great township which will turn 100 years old in 2014. I hope to help aid in its preservation, for the next generations to enjoy.

Secretary/Treasurer: John N. Musante

I have resided in South Heidelberg Township since 1977, my wife (deceased) and I moved to the Galen Hall area where we raised our three sons. I now reside in the Wernersville Heights area with my wife Marilyn.

For three years, I served as a Special Agent for the U.S. Army Counterintelligence Corps. I was then employed in the insurance claims business for a total of 49 years. The first 24 years I was employed with an insurance company, and the next 25 years I was self-employed as the owner of Claims Adjusters, Inc. My son now owns that business and I retired at the end of 2014.

I first became involved with the Township when I was elected as a Supervisor in 1979. I served in that capacity from 1980 to 1987. During the early stages of my second term, I was promoted by my employer and had to resign due to a relocation to central Pennsylvania.

I returned to the Township in 1994, and have served on the Municipal Authority Board, the last 20 years as Chairman. I have served on the Board of Directors for Reamstown Mutual Insurance Company from 2004 to the present.

I am honored to again serve the Township as a Supervisor, it is my intent to provide the best possible service to all residents of the Township. I am happy and proud to say that I live in South Heidelberg Township.
