TOWNSHIP ROAD CREW

Gerald W. Lamm — Road Crew Forman
 Bill Lanza—Road Crew Manager
 Kim R. Steinman
 Lynwood Lamm
 Art Noss
 Ryan Wilkes

Our road crew is responsible for maintaining 63.91sq. Township roadway miles.

Please help us take care of our community by not littering and by preserving our natural resources and wildlife.

Our Township workers are responsible for the following:

- Street maintenance
- Grass cutting along roadways
- Plowing - snow removal (salting)
- Trimming trees along the roadways
- Collection of resident leaves
- Open Space and Park Maintenance
- Street Signs (Installation and repair)

PUBLIC WORKS

SNOW REMOVAL

Residents are advised to monitor local media for information concerning Snow Emergency conditions. The Snow Emergency Ordinance declares all public streets to be Snow Emergency routes and requires all vehicles to be removed from them if an emergency is declared. For purposes of the ordinance, a **Snow Emergency will automatically go into effect in the event there has been an accumulation of snow or ice of four (4) inches or more for one (1) or more hours between 6 a.m. and 11 p.m. of any day.**

Plowing

Priority - Major arteries are cleared to maintain traffic flow.

Secondary - Residential streets and secondary roads are attended.

Widening operations can only begin after the storm has ended.

Please follow the diagram below to assist our Township workers.

- If you encounter a plow truck on the road, remember to maintain a safe following distance.
- Abusive or intimidating actions toward plow operators will result in prosecution.
- Please help our emergency workers by making sure that the snow is cleared from the fire hydrant in front of your property.

PUBLIC WORKS

LEAF COLLECTION

Tentative Schedule:

Third Monday in October through
Wednesday before Thanksgiving.

- Leaves must be placed at curbside in the street right-of-way. Along areas where no curbing exists, leaves must be in the street right-of-way.
- Any leaves left on embankments or above curbing will not be collected.
- Do not deposit grass clippings, mulched yard waste or branches for collection with leaves. If these materials are combined with leaves, they will not be collected.
- Residents are requested to park off the street during this period to allow for ease of collection.
- As a reminder, leaves are designated as a recyclable material under Ordinance No. 186 and therefore it is illegal to dispose of them by burning. As an alternative to curbside collection, residents may take their leaves to the Organic Matter Drop-off Site along Point Road. (Directions on following page).

STREET TREES

We strongly recommend that residents evaluate the health and trimming of their trees along roadways.

Ordinance No. 185

Remove or cut any trees on your property that affect or interfere with the safety of the public or the right of the public to unobstructed use of the public road or other property.

- Fall is a good time to trim or remove any diseased trees and trim any low hanging branches which may prevent pedestrians from using the sidewalks on your property.
- We sincerely appreciate all the cooperation we receive from our township residents in keeping their trees property maintained.
