FINDERS:	Pennsylvania State Law requires that all "Finders" and property recovery professionals who assist potential claimants assemble a claim for a fee						
	must complete an application and be certified as a finder by the Pennsylvania Treasury. Like most of the Unclaimed Property Law, this process is						
	designed to protect consumers from predatory practices and fraud. While Pennsylvania Treasury always assists claimants prepare and file claims						
	for free, Finders may provide their service for a fee. Those fees are now capped at 15% through Pennsylvania Law. For more information please
