

BERKS HEIM COVID STATUS UPDATE

June 11, 2020

Berks Heim has 67 residents (52 have recovered) who tested positive for COVID-19 (Universal testing of all residents occurred on May 28 and 29, 2020 which resulted in identifying 38 residents who tested positive for COVID-19, none of these residents except one, were showing symptoms).

37 staff have tested positive for COVID-19, 10 new out of 373 tested were identified during the same universal testing. (four additional staff were identified so far with partial second round testing results received)

The second round of universal testing occurred June 8th and 9th, 2020, some results have been received as of this date.

The third round of universal testing has been scheduled for June 15 and 16, 2020.
