Berks Heim has 151 residents currently who had tested positive for COVID. 114 of the 151 residents are recovered.

We will continue to test all residents for a minimum of two weeks in response to staff and resident positive results.

One hundred twenty-five (125) staff have tested positive since the beginning of the pandemic. Since testing on 12/21/2020 twenty (20) staff members have tested positive. We started twice a week testing of staff Monday; December 7th due to the Berks County positivity rate for COVID-19 cases exceeding 10%.

As of October 23, 2020, visitation is currently on hold to protect the health and safety of the Berks Heim Residents due to recent COVID-19 positive cases. Visitation may resume when all residents and staff test negative to COVID testing for a minimum of two weeks.
