

BERKS HEIM COVID STATUS UPDATE: March 16, 2021

Berks Heim currently has no current positive resident cases of COVID-19. All other residents that previously tested for COVID-19 are now recovered.

One hundred seventy (172) staff have tested positive since the beginning of the pandemic. One (1) staff member tested positive on Monday 3/15/2021. We are now able to complete testing of staff once a week due to the Berks County positivity rate for COVID-19 cases being below 10%.

We will begin outbreak testing for all residents and staff in response to the positive result from 3/15/2021.

Unfortunately, visitation is now on hold due to a positive case of COVID-19 identified in the facility.

Compassionate/end of life visitation will continue through requests reviewed by the Director of Nursing.
