

BERKS HEIM NURSING AND REHABILITATION
PA DEPARTMENT OF HEALTH
REOPENING PLAN CLARIFICATION

ALL PENNSYLVANIA LONG TERM CARE FACILITIES LICENSED BY THE PA DEPARTMENT OF HEALTH ARE REQUIRED TO DEVELOP A PLAN FOR REOPENING TO VISITORS, THE PLAN DEVELOPED AS PRESENTED HERE, MEETS THAT REQUIREMENT.

THE INITIAL MANDATORY REQUIREMENT TO BEING ABLE TO HAVE VISITORS AGAIN IS TO BE COVID POSITIVE FREE BY RESIDENTS AND STAFF FOR A MINIMUM OF 14 DAYS. BERKS HEIM IS WORKING TOWARD THAT OBJECTIVE BY CONDUCTING WEEKLY TESTING OF RESIDENTS AND STAFF. AS OF THE TIME OF POSTING THIS PLAN, WE HAVE NOT ACHIEVED THE 14 DAY REQUIREMENT DUE TO POSITIVE STAFF RESULTS.

WE WILL CONTINUE TO WORK TOWARD THAT GOAL AND UPDATE THIS POSTING AS SOON AS WE REACH THE GOAL, OR AT LEAST WEEKLY.
