

BERKS HEIM NURSING AND REHABILITATION  
PA DEPARTMENT OF HEALTH  
REOPENING PLAN CLARIFICATION  
3/12/2021

Berks Heim will meet the mandatory requirement of meeting the goal of being COVID positive free for a minimum of 14 days as of Monday 3/15/2021.

Beginning Monday 3/15/2021, Berks Heim will be able to offer pre-scheduled outdoor (weather permitting) and indoor visitation to those residents that reside in “Green” areas of the facility (COVID Unexposed Zones).

If you are interested in visiting a resident at Berks Heim please contact the Social Services or Activity Department to schedule a visit.

Visit times are currently limited due to scheduling needs. Berks Heim will work to schedule all requested visits so that residents have an opportunity to visit with their loved ones.
