## County of Berks Press Release

*Doe license applications only accepted by mail, no over-the-counter purchases*

**Reading, PA— 9/2/2021** — The Berks County Treasurer’s office will again be only accepting antlerless deer (doe) license applications by mail this year. There will be **NO OVER-THE-COUNTER** purchases of doe licenses in Berks County for this season. Use of the drop box is also prohibited and applications cannot be submitted through the Berks County Mailroom. Applications without a US Postmark will be returned.

According to the Pennsylvania Game Commission, new state regulations limit hunters to six active doe licenses at a time. Applications will continue to be accepted via US Mail only. These applications will be processed using the *HuntFishPA* system guidelines. Hunters who successfully harvest and report antlerless deer harvest(s) through *HuntFishPA* can reapply for additional antlerless deer license(s) to reach the six active antlerless deer license limits. *HuntFishPA* automatically tracks allocations and monitors personal license limits so that hunters cannot be issued more licenses than regulations allow.

We thank you for your patience and understanding.
