### Internal Auditor's Report on Compliance and Internal Controls

Michael J. Leonardziak  
Magisterial District Judge  
Magisterial District Court 23-1-02  
County of Berks, Pennsylvania

In completing our internal audit of the Magisterial District Court 23-1-02 for the year ended December 31, 2013, we performed tests for compliance with certain financial provisions of laws, regulations, contracts, grants, and applicable policies. Noncompliance is considered a significant finding when it could have a direct and material effect on related financial information. The results of our tests disclosed the following instances of noncompliance.

- Noncompliance with Magisterial District Judge System manual
- Noncompliance with Administrative Order Concerning Warrant Procedures – The Court of Common Pleas of Berks County on March 14, 2007

We also performed tests of Magisterial District Court 23-1-02's internal control over financial information and noted no significant findings in internal controls. Significant findings involve matters coming to our attention relating to deficiencies in the design or operation of the internal control over financial information that, in our judgment, could adversely affect Magisterial District Court 23-1-02's ability to adequately and properly record, process, summarize and report financial data.

This report is intended for the information of the County of Berks Board of Commissioners and the Magisterial District Court 23-1-02's management. However, this report is a matter of public record and its distribution is not limited.

Report on Internal Controls as of September 16, 2014  
Schedule of Findings and Responses**

**Significant Finding and Auditee's Response**

**1. Backlog of unserved warrants**

During our review of the timeliness of recalling warrants, we noted that Magisterial District Court 23-1-02 was not current in performing this duty. The court monitors unserved warrants as time permits. At the time of the audit, there were 3,316 outstanding warrants with an issue date aged beyond 60 days. As a result, the court is not in compliance with the Magisterial District Judge System manual and the Court of Common Pleas of Berks County, Pennsylvania, Administrative Order Concerning Warrant Procedures dated March 14, 2007.

The Magisterial District Judge System manual states:

*"For summary traffic and non-traffic cases, outstanding warrants should be returned to the Magisterial District Judge office within 60 days of issuance."*

The Court of Common Pleas of Berks County, Pennsylvania, Administrative Order Concerning Warrant Procedures dated March 14, 2007 states:

*"Where the ordinary means of service of a warrant in a misdemeanor or felony case have failed after sixty (60) days, the Magisterial District Judge shall recall the warrant (REIS) and the server shall immediately return the warrant."*

We recommend Magisterial District Court 23-1-02 staff review warrant management reports and notify servers to return warrants where the ordinary means of service has failed after 60 days. Returned warrants can either be recorded in the Magisterial District Judge System (MDJS) as unserved, if the defendant is unable to be located; or they can be recalled for reissue, if the server has not exhausted all means of finding the defendant.

**Auditee's Response:** Aware of issue for the past 21 years.
