Internal Auditor's Report

Magisterial District Judge Kim L. Bagenstose
Magisterial District Court 23-3-06
61 North 3rd Street, 2nd Floor
Hamburg, PA 19526

We have audited the Statement of Receipts, Disbursements and Changes in Cash Balance for the year ended December 31, 2014 for Magisterial District Court 23-3-06. The financial statement is the responsibility of Magisterial District Court 23-3-06's management. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the accounts of Magisterial District Court 23-3-06 are maintained, and the accompanying financial statement is prepared, on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statement referred to above present fairly, in conformity with the cash basis of accounting, the cash account balance of Magisterial District Court 23-3-06, as of December 31, 2014, and the revenues it received and expenditures it paid for the years then ended on the basis of accounting described in Note 1.

This report is intended for the information of the County of Berks Board of Commissioners and Magisterial District Court 23-3-06's management. However, this report is a matter of public record and its distribution is not limited.

Internal Auditor's Report on Compliance and Internal Controls

Magisterial District Judge Kim L. Bagenstose
Magisterial District Court 23-3-06
61 North 3rd Street, 2nd Floor
Hamburg, PA 19526

In planning and performing our audit of the financial statements of Magisterial District Court 23-3-06 as of and for the year ended December 31, 2014, in accordance with auditing standards generally accepted in the United States of America, we considered Magisterial District Court 23-3-06's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Magisterial District Court 23-3-06's internal control. Accordingly, we do not express an opinion on the effectiveness of the Magisterial District Court 23-3-06's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above.

This report is intended for the information of the County of Berks Board of Commissioners and Magisterial District Court 23-3-06's management. However, this report is a matter of public record and its distribution is not limited.
