Note 1: Nature of the Office and Significant Accounting Policies

Nature of the office:

Berks County Jail System is a minimum security institution governed by a board dictated by the Commonwealth to be composed of a judge of the Court of Common Pleas, the district attorney, the sheriff, the controller, and the commissioners. The Board is responsible for the safe-keeping, discipline, and employment of the prisoners, and the government and management of the institution.

The Berks County Jail System inmate accounts maintain the personal funds of the inmates during incarceration. The Berks County Jail System staff disburses monies when authorized by inmates, and deposits monies received from inmates at commitment or from family members.

Basis of accounting:

The books and records of the Berks County Jail System inmate accounts are maintained on the cash basis of accounting and, therefore, the financial statements presented herein do not purport to present the account balances and results of operations in conformity with generally accepted accounting principles. The cash basis of accounting is another comprehensive basis of accounting.

Cash and cash equivalents:

The Berks County Jail System considers cash and equivalents to be cash on hand, cash on deposit, and investments with a maturity of three months or less when purchased.

Cash accounts:

The financial statements compiled for the Berks County Jail System inmate accounts reflect primarily trust and agency account activity. These accounts are maintained and reconciled by the Berks County Jail System. Administrative costs and expenses incurred by the Berks County Jail System are reflected on the books and records of the County of Berks and not on these financial statements.

Note 2: Cash and equivalents

The following cash accounts are in the name of Berks County Jail System inmate accounts and are reflected in the County of Berks financial statements:

Internal Auditor's Report on Compliance and Internal Controls

Mr. George Wagner
Warden
Berks County Jail System
County of Berks, Pennsylvania

In completing our internal audit of the Berks County Jail System inmate accounts for the year ended December 31, 2012, we performed tests for compliance with certain financial provisions of laws, regulations, contracts, grants, and applicable policies. Noncompliance is considered a significant finding when it could have a direct and material effect on related financial information. The results of our tests disclosed no instances of noncompliance.

We also performed tests of the Berks County Jail System inmate accounts' internal control over financial information and noted no significant findings in internal controls. Significant findings involve matters coming to our attention relating to deficiencies in the design or operation of the internal control over financial information that, in our judgment, could adversely affect the Berks County Jail System inmate accounts' ability to adequately and properly record, process, summarize and report financial data.

This report is intended for the information and use of the County of Berks Board of Commissioners and the Berks County Jail System inmate accounts' management. However, this report is a matter of public record and its distribution is not limited.
