

# The Berks County Heritage Center/Parks Dept. Traveling Trunk and Outreach Programs

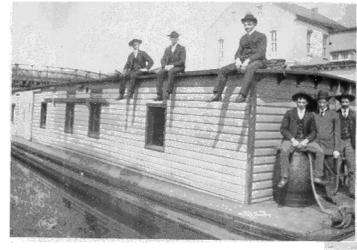

We invite you to explore and learn the history and importance of canals, wagons, and early transportation in American History, by inviting us to bring our "Trunks" to your location!

## The Gruber Wagon Works

- \*The Gruber Family and the Wagon Works operation.
- \*Working in a wagon factory.
- \*Wagons as transportation.

## Canals And Canal Life

- \*What is a canal?
- \*Life on the canals
- \*Canal Boat Children
- \* Allegheny Aqueduct

\*How and why Covered Bridges were used and constructed.

\*What is a Grist Mill, and how does it work.

## Other Outreach Programs and Lectures

### The Beidler House and Allegheny Aqueduct

### Berks County Parks and Recreation Dept. Programs and Facilities (illustrated lecture)

### Antietam Lake Park

The History and Development.
