

FREE Paper Shredding Event

Saturday, Oct. 10

**9 a.m. to 12 p.m. at our district office
Located at the Reading Regional Airport
2501 Bernville Road, Reading**

The event, which will feature an on-site industrial paper shredder, will provide the opportunity for households to shred up to four boxes of materials. Boxes should be no bigger than a file size box or bag. The boxes will be returned to residents; the shredding company will not keep or shred boxes.

All shredding takes place on-site.

Each person will be permitted to shred no more than four boxes of materials.

No metal – including paper clips, binder clips or spiral notebooks – can be shredded.

Social Distancing Policy: For the health and safety of everyone involved, participants are asked to remain in their vehicles and staff will remove their documents for them and return their boxes or bags.

For more information, contact my district office at 610-378-4407.
