RECYCLING

Please **do not** put your recycling in any type of **dark trash bags** or trash cans. Trash bags must be clear and if you do use a trash can, please mark Recyclables in big letters on trash can and keep the lid off. Also when putting out Newspapers, please bundle or put in clear plastic bags separate from the other recyclables. **Also cardboard is now allowed to be put out for recycling**—you must fold up and breakdown the cardboard and bundle or tie and put out with your recycling materials. Please keep your trash and recycling separated so the trash men do not get them confused.
