BOROUGH OF KENHORST

RIGHT-TO-KNOW POLICY FOR PUBLIC RECORDS

I. Introduction

Borough of Kenhorst (the “Borough”) is a local municipality for purposes of the recent amendments to the Commonwealth of Pennsylvania’s Right-to-Know Law, 65P.S.§ 66.1 et al.

All boroughs shall provide public records in accordance with the Right-to-Know Law. Therefore, any record in the possession of the Borough shall be presumed to be a public record, except in the following circumstances:

(a) The record is exempt under Section 708 of the Right-to-Know Law;
(b) The record is protected by the attorney-work product doctrine, the attorney-client privilege, or other privilege recognized by the laws of the Commonwealth of Pennsylvania (i.e., statute or case law); or
(c) The record is exempt from disclosure under any other federal or state law or regulation, or judicial order or decree.

Records are broadly defined under the Right-to-Know Law. The term includes a document, paper, letter, map, book, tape, photograph, film or sound recording, information stored or maintained electronically, and a data-processed or image-processed document.

Requests for public records can be made by any person or who is a legal resident of the United States, including resident aliens. Requests to the Borough can also be made by other local agencies, Commonwealth agencies (e.g., The Department of the Auditor General or the Treasury Department), judicial agencies (i.e., the courts), or legislative agencies (e.g., the Senate and House of Representatives).
II. **Access and Procedure**

Requesters must make requests for access to records in writing. A written request for access to records may be submitted in person, by mail, by e-mail, or by facsimile.

The Borough of Kenhorst has designated its Borough Manager, Jeri L. Diesinger, to act as the Open-Records Officer (“Officer”). The Officer’s contact information is set forth below:

Open Records Officer  
Borough of Kenhorst  
339 S. Kenhorst Blvd  
Kenhorst, PA 19607  
Phone: (610) 777-7327  
Fax: (610) 777-8980  
Email: info@kenhorstborough.com

All written requests must be addressed to the Officer. In the event that a written request for records is addressed to a Borough representative other than the Officer, the Borough representative is hereby directed to promptly forward such requests to the Officer.

Written requests should identify or describe the record sought with sufficient specificity to enable the Open Records Officer to ascertain which records are being requested. Unless otherwise required by law, a written request need not include any explanation of the requester’s reason for requesting the records or the intended use of such records. The form, which shall be used to file a request, is attached hereto as Exhibit “A”. The Borough shall assign a tracking number to each filed form so as to track the Borough’s progress in responding to requests under the new Right-to-Know Law.

Prior to granting a request for access in accordance with the Right-to-Know Law, the Open Records Officer may require a requester to prepay an estimate of the fees authorized by law if the fees required to fulfill the request are expected to exceed $100.00. The fees payable in a record request shall be as follows:

**Fees**

If a written request for records is granted in whole or in part, the following fees will be charged to the requester:

A “photocopy” is either a single-sided copy or one side of a double-sided copy of a standard 8.5” x 11” page. As noted above, the Officer may require a requester to prepay an estimate of the fees listed above if the fees required to fulfill the request are expected to exceed $100, including prepayment of delinquent fees from a prior request. All costs must be paid by check or money order payable to the Borough of Kenhorst.

Except as otherwise provided by statute, no other fees may be imposed unless the Borough of Kenhorst necessarily incurs costs for complying with the request, and such fees must be reasonable.

In all circumstances, the requester must agree to pay applicable fees authorized by the new Right-to-Know Law, such as (but not limited to) postage (not to exceed actual cost of mailing), duplication and certification. All applicable fees shall be paid before a requester receives access to the record(s) requested.

A record being provided to a requester shall be provided in the medium requested if it exists in that medium; otherwise, it shall be provided in the medium in which it exists. The Borough shall not be required to create a record which does not currently exist or to otherwise compile, maintain, format or organize a record in a manner in which it does not currently compile, maintain, format or organize such record. The Borough may impose reasonable fees for official certification of copies if the certification is at the behest of the requester and for the purpose of legally verifying the public record.

Upon receipt of a written request for a public record, the Officer shall do the following:

(a) Note the date of the receipt on the written request;
(b) Compute the day on which the five-day period (see discussion of response, below) will expire, and make a notation of that date on the written request; and
(c) Create a file for the retention of the original request, a copy of the response, a record of written communications with the requester, and a copy of other communications.

III. Borough’s Response

Upon receipt of a written request for access to a record, the Borough shall make a good faith effort to determine if the record requested is a public record and whether the Borough has possession, custody or control of the identified record. When doing so, the Borough will respond as promptly as possible under the circumstances existing at the time of the request. Under the Right-to-Know Law, the Borough must send a response within five (5) business days of receipt of the written request for access, or else the written request shall be deemed denied. For purposes of this policy, a business day is any Monday, Tuesday, Wednesday, Thursday or Friday, except those days when the Borough’s office is closed for all or part of a day due to a holiday.
Upon receipt of a written request for access, the Officer shall determine if one of the following applies:

(a) The request for access requires redaction of a record in accordance with the Right-to-Know Law;
(b) The request for access requires the retrieval of a record stored in a remote location;
(c) A timely response to the request for access cannot be accomplished due to bona fide and specified staffing limitations;
(d) A legal review is necessary to determine whether the record is a record subject to access under the Right-to-Know Law;
(e) The requester has not complied with the Borough’s policies regarding access to records;
(f) The requester refuses to pay applicable fees authorized by the Right-to-Know Law; or
(g) The extent or nature of the request precludes a response within the required time period of five (5) business days.

Upon a determination that one of the factors listed above applies, the Officer shall send written notice to the requester within five (5) business days of receipt of the request for access. The notice shall include a statement notifying the requester that the request for access is being reviewed, the reason for the review, a reasonable date that a response is expected to be provided, and an estimate of applicable fees owed when the record becomes available. Information, which the Borough redacts in accordance with the Right-to-Know Law shall be deemed a denial.

If the date that a response is expected to be provided is in excess of thirty (30) calendar days, following the five (5) business days allowed for above, the request for access shall be deemed denied unless the requester has agreed in writing to an extension to the date specified in the notice. If the requester agrees to the extension, the request shall be deemed denied on the day following the date specified in the notice if the Borough has not provided a response by that date.

For purposes of this policy, the “mailing date” shall be the date affixed to a: (1) response from the Officer to a request, which is to be the date the response is deposited in the U.S. mail; (2) final determination from the Officer, which is to be the date the final determination is deposited in the U.S. mail.

Notwithstanding anything contained in this Policy to the contrary, the Open Records Officer may deny a requester access to a record if the requester has made repeated requests for that same record and the repeated requests have placed an unreasonable burden on the Borough.
IV.    Appeal of Borough’s Determination

If a written request for access to a record is denied or deemed denied, the requester may file an appeal with the Commonwealth of Pennsylvania’s Office of Open Records within fifteen (15) business days of the mailing date of the Borough’s response or within fifteen (15) business day of a deemed denial. The appeal shall state the grounds upon which the requester asserts that the record is a public record, and shall address any grounds stated by the Borough for delaying or denying the request.

The Office of Open Records has established an internet website with information relating to the Right-to-Know Law, including information on fees, advisory opinions and decisions, plus the name and address of all Open-Records Officers in the Commonwealth of Pennsylvania. For information on the Office of Open Records, requesters are referred to openrecords.state.pa.us.

V.    Retention of Records

Nothing in the Right-to-Know Law shall be construed to modify, rescind or supercede the Municipal Records Act, 53Pa.C.S.A. § 1381 et seq., or the Borough’s lawfully adopted record retention and disposition policy. Moreover, nothing in the Right-to-Know Law shall be construed to require access to any computer of the Borough, or that of an individual or employee of the Borough of Kenhorst.
