

# SAVE OUR STATION!

## MERTZTOWN TRAIN STATION

The Mertztown Train Station, located at 337 Chestnut Street, along the rail line and adjacent to Atlas Minerals & Chemicals, Inc. served three railroad companies, including The Reading Company, as a freight and passenger station for over 150 years.

The Longswamp Township Historical Society (LTHS), a 501(c)3 nonprofit, acquired the building in April, 2019, to save this historic gem. As LTHS headquarters, it will live on and enrich community life as a museum and historic library. To learn more about the project, we invite you to visit:
