

Borough of Mohnton  
**Dumpster & "POD" Rules**  
**May 8<sup>th</sup> 2019**

Rules governing placement of dumpsters and POD style containers in and about the borough of Mohnton. All are referred to collectively herein after as "containers"

- It is preferable that containers be placed on private property, either the users property or, with permission, a neighboring property
- If unable to place container on private property, the following conditions should be met
  - Placed in a parking space and, preferably, in front of the users property.
  - Placed closer than 12" from the curb
  - 28" traffic cones with reflective bands must be placed at the outer two (non-curb side) corners of the container
    - Cones may be borrowed from the borough at no cost
    - Cones must be returned to the borough promptly after container is removed (within 2 business days)
    - Cones that are not returned will result in a charge equal to the current replacement cost to be paid by the borrower
    - Cones that are stolen must be promptly reported to the police and replaced with others

**Container permits** - verbal and written  
*(NOT required for placement on private property)*

- **Verbal permits** - to be used for quick jobs such as roofing and clean outs.
  - Less than 3 business days
  - Call borough secretary (610-775-0660) with name & phone number of person responsible for container and container's location.
  - No charge
- **Written** - permit valid for 30 days
  - May be renewed at the discretion of the borough
  - May be refused if deemed a hazard or nuisance by the borough
  - \$5.00 fee per 30 day permit

***Permits may be refused or revoked if location is deemed a hazard or nuisance by borough officials***
