

ORDINANCE No. 18-8

AN ORDINANCE FOR THE TOWNSHIP OF UPPER BERN
AMENDING ORDINANCE No. 18-1979 TO PROVIDE
FOR VARIANCES FOR NEW CONSTRUCTION AND
DEVELOPMENT ACTIVITIES AND TO COMPLY
WITH THE REQUIREMENTS OF THE PENNSYLVANIA
FLOOD PLAN MANAGEMENT ACT (ACT 166 of 1978)

BE IT ENACTED and ORDAINED by the Board of Supervisors of the Township of Upper Bern, Berks County, Pennsylvania, and it is hereby ENACTED and ORDAINED by the authority of the same as follows:

SECTION 1. That Section 6.01 D of Ordinance No. 18-1979-shall be amended as follows:

Section 6.01 D - Special Permit Application Procedures

D. The following data and documentation:

1. certification from the applicant that the site upon which the activity or development is proposed is an existing separate and single parcel, owned by the applicant or the client he represents:

2. certification from a registered professional engineer, architect, or landscape architect that the proposed construction has been adequately designed to protect against damage from the one hundred (100) year flood;

3. a statement, certified by a registered professional engineer, architect, landscape architect, or other qualified person which contains a complete and accurate description of the nature and extent of pollution that might possibly occur from the development during the course of a one hundred (100) year flood, including a statement concerning the effects such pollution may have on human life;

4. a statement certified by a registered professional engineer, architect, or landscape architect, which contains a complete and accurate description of the effects the proposed development will have on one hundred (100) year flood elevations and flows;

5. a statement certified by a registered professional engineer, architect, or landscape architect, which contains a complete and accurate description of the kinds and amounts of any loose buoyant materials or debris that may possibly exist or be located on the site below the one hundred (100) year flood elevation and the effects such materials and debris may have on one hundred (100) year flood elevations and flows;

6. the appropriate component of the Department of Environmental Resources' "Planning Module for Land Development";

7. where any excavation or grading is proposed, a plan meeting the requirements of the Department of Environmental Resources to implement and maintain erosion and sedimentation control;

8. any other applicable permits such as, but not limited to, a permit for any activity regulated by the Department of Environmental Resources under Section 302 of Act 1978-166; and

9. any evacuation plan which fully explains the manner in which the site will be safely evacuated before or during the course of a one hundred (100) year flood.

SECTION 2. That Section 6.02 of said Ordinance shall be amended as follows:

Section 6.02-Review of Application for Special Permit

Upon receipt of an application for a Special Permit by the Township, the following procedures shall apply in addition to those of Article II:

A. Within three (3) working days following receipt of the application, a complete copy of the application and all accompanying documentation shall be forwarded to the County Planning Commission by registered or certified mail for its review and recommendations. Copies of the application shall also be forwarded to the Township Planning Commission and Township Engineer for review and comment.

B. If an application is received that is incomplete, the Township shall notify the applicant in writing, stating in what respects the application is deficient.

C. If the Township decides to disapprove an application, it shall notify the applicant, in writing, of the reasons for the disapproval.

D. If the Township approves an application, it shall file written notification, together with the application and all pertinent information, with the Department of Community Affairs, by registered or certified mail, within five (5) working days after the date of approval.

E. Before issuing the Special Permit, the Township shall allow the Department of Community Affairs thirty (30) days, after receipt of the notification by the Department, to review the application and decision made by the Township.

F. If the Township does not receive any communication from the Department of Community Affairs during the thirty (30) day review period, it may issue a Special Permit to the applicant.

G. If the Department of Community Affairs should decide to disapprove an application, it shall notify the Township and the applicant, in writing, of the reasons for the disapproval, and the Township shall not issue the Special Permit.

SECTION 3. That Article VII-Variances, first paragraph, which read as follows:

If compliance with any of the requirements of this Ordinance would result in an exceptional hardship to a prospective builder, developer or landowner, the Township may, upon request, grant relief from the strict application of the requirements. If compliance with the elevation of floodproofing requirements of this Ordinance would result in an exceptional hardship for a prospective builder, developer, or landowner, the Township, may, upon request, grant relief from the strict application of the requirement.

Shall be amended and as so amended shall read as follows:

If compliance with any of the requirements of this Ordinance would result in an exceptional hardship to a prospective builder, developer or landowner, the Township, may, upon request, grant relief from the strict application of the requirements.

SECTION 4. That Article VII-Variances, of said Ordinance shall be further amended by adding Paragraph 6 which shall read as follows:

Except for a possible modification of the freeboard requirements involved, no variance shall be granted for any of the other requirements pertaining specifically to development regulated by Special Permit or to Development Which May Endanger Human Life.

SECTION 5. That said Ordinance shall be further modified by adding Article IX which shall read as follows:

Article IX, Development Which May Endanger Human Life
