

The Kinner Kard Program

A community service of The Kutztown Borough Police Department
Optimist Club of Kutztown - Kutztown Area School District - Wissahickon Spring Water

Dear Parent or Guardian:

Through the Kinner Kard Program, you will receive two identification cards. One will be for you to keep and use in case of an emergency. It will contain a thumb print and a picture of your child which can be used for identification of your child in an emergency. The other card is for your child to wear or carry to help officials find you if your child is hurt or lost. The Kinner Kard Program is designed for children ages nine and under, and for handicapped persons of all ages. The service is provided free of charge by the Kutztown Borough Police Department, Optimist Club of Kutztown, Kutztown Area School District, and Wissahickon Spring Water.

In order to photograph and thumbprint your child, we will need your consent. If you would like to participate in this program, please fill out all parts of the form below.
